

Southwestern Law School Staff and Department “Shout Out” Program

Southwestern Law School appreciates the hard work and dedication of our staff members. Staff members serve vital roles in our community: they further our mission, facilitate programs and activities, improve our campus and community culture, and make Southwestern a great place to study and work.

We encourage employees to nominate other employees and specific departments that have gone above and beyond in some way, or

that a particular event or project is

the efficiency or effectiveness;

significant milestone (like earning a

critical project or Southwestern event;

to help celebrate a staff

department, simply complete the

with, the Office of the President and

nominations. The Dean will then

follow-up email to the community.
