

Dear Students,

The following roadmap will help you plan your courses in such a way as to avail yourself of the courses that matter most to you and that are the most relevant to your professional goals while you are a Student at SWLAW.

All efforts have been made to establish a healthy rotation of courses across various specialties (see the color-coded sections). However, we may need to change the timing of courses in this roadmap based on professor availability or other circumstances. We will also update this document annually.
