

for 14 weeks, plus at least 2 additional hours on end-of-term exams or other assessments, or the equivalent amount of work over a different amount of time.

For example, in a 3-unit course in the full-time day program that meets 3 hours per week for 14 weeks, a student would be expected to spend a minimum of 6 hours per week on out-of-class work for the course plus a minimum of 6 hours preparing for and completing an exam or other required assessment (for a total of 90 hours of out-of-class work). In SCALE, a 3-unit course may meet 4 hours per week to accommodate the different structure of the term, and a SCALE student would be expected to spend 90 hours of out-of-class work, which will be distributed (k)Tj-0.003 T1.1B0 Tw 10968 (be)hic

A 1-credit course will meet for a total of 840 minutes of instruction. One-credit courses are scheduled to meet for 60 minutes each week over a 14-week semester or the equivalent minutes over fewer weeks. Students are expected to spend a minimum of 2 hours on out-of-class work per week during the semester, plus at least 2 additional hours on end-of-term exams or other assessments.

3. Summer term (other than London)

A 3-credit course will meet for a total of 2,520 minutes of instruction. Most 3-credit courses are scheduled to meet 360 minutes each week over the 7-week summer session, followed by an examination period. Students are expected to spend at least 90 hours on out-of-class work during the term, including on end-of-term exams or other assessments.

A 2-credit course will meet for a total of 1,680 minutes of instruction. Most 2-credit courses are scheduled to meet 240 minutes each week for 7 weeks, followed by an examination period. Students are expected to spend at least 60 hours on out-of-class work during the term, including on end-of-term exams or other assessments.

A 1-credit course will meet for a total of 840 minutes of instruction. One-credit courses are scheduled to meet for 120 minutes over 7 weeks or the equivalent minutes over fewer weeks, followed by an examination period. Students are expected to spend at least 30 hours on out-of-class work during the term, including on end-of-term exams or other assessments.

4. SCALE courses

A 4-credit course includes 14 hours of instruction per credit for a total of 3,360 minutes of instruction. For each hour of classroom instruction, students are expected to spend a minimum of 2 hours (based on a 60-minute hour) on out-of-class work plus at least 2 additional hours on end-of-term exams or other assessments for a total of at least 30 out-of-class work hours per term per credit.

A 3-credit course includes 14 hours of instruction per credit for a total of 2,520 minutes of instruction. For each hour of classroom instruction, students are expected to spend a minimum of 2 hours (based on a 60-minute hour) on out-of-class work plus at least 2 additional hours on end-of-term exams or other assessments for a total of at least 30 out-of-class work hours per term per credit.

A 2-credit course includes 14 hours of instruction per credit for a total of 1,680 minutes of instruction. For each hour of classroom instruction, students are expected to spend a minimum of 2 hours (based on a 60-minute hour) on out-of-class work plus at least 2 additional hours on end-of-term exams or other assessments for a total of at least 30 out-of-class work hours per term per credit.

A 1-credit course includes 14 hours of instruction for a total of 840 minutes of

instruction. For each hour of classroom instruction, students are expected to spend a minimum of 2 hours (based on a 60-minute hour) on out-of-class work plus at least 2 additional hours on end-of-term exams or other assessment for a total of at least 30 out-of-class work hours.

5. Intersession courses

An intersession course will require a total of 840 minutes of instruction per credit, and students are expected to spend a minimum of 30 hours of out-of-class work per credit, including on end-of-term exams or other assessments.

6. London Summer-Abroad Program courses

A 3-credit course will meet for 120 minutes each day, over 19 days, for a total of 2280 minutes of instruction, followed by an examination period. Students are expected to spend a minimum of 94 hours on out-of-class work during the term, including on end-of-term exams or other assessments.

A 2-credit course will meet for 120 minutes each day, over 14 days, for a total of 1,680 minutes of instruction, followed by an examination period. Students are expected to spend a minimum of 60 hours on out-of-class work during the term, including on end-of-term exams or other assessments.

A 1-credit course will meet for 120 minutes each day, over 7 days, for a total of 840 minutes of instruction, followed by an examination period. Students are expected to spend a minimum of 30 hours on out-of-class work during the term, including on end-of-term exams or other assessments.

of the course. The blended course will be evaluated on a proportional basis. For example, if a 2-unit 14-week fall or spring course is 50% online synchronous and 50% online asynchronous, then (1) the synchronous online portion must include meeting for 60 minutes each week for a total of 840 minutes of instruction, where students are expected to spend a minimum of 2 hours on out-of-class work per week during the semester, plus at least 2 additional hours on end-of-term exams or other assessments and (2) the asynchronous online portion must include at least 44 hours of student work such as reviewing video presentations, completing quizzes, participating in asynchronous discussions, engaging in collaborative work, and completing other learning activities, end-of-terms exams, or other assessments.

E. Clinics, Externships, Practica, and Independent Studies

For clinical courses, externships, and independent studies, an equivalent amount of work with an appropriate combination of faculty instruction and out-of-class student work is included in the following calculation as required by ABA Standard 310:

1. Clinical placements

Clinical placements require 3.5 hours per week of work for each credit granted.

A 3-credit clinical placement requires 10.5 hours of work per week over 14 weeks for a total of 147 hours of work.

A 5-credit clinical placement requires 17.5 hours of work per week over 14 weeks for a total of 245 hours of work.

2. Externship placements

Externship placements require approximately 60 hours of work per credit.

3. Independent studies and the Amicus Project Practicum

Independent studies and the Amicus Project Practicum require 90 hours of work per credit, with 2 credits awarded.
